## COURSE DESCRIPTION

This two-day course provides students with basic tools and skills to coordinate training within a Fire/Emergency Medical Services (EMS) organization.

The course is primarily designed for personnel serving in small Fire/EMS departments, including volunteer and combination departments, It may also be adapted for volunteer and combination departments operating within larger cities and suburban communities.

Participants will explore the training responsibilities of smaller departments, including conducting training drills and coordinating training activities with neighboring departments, larger cities, and state training organizations.

## SELECTION CRITERIA

- Fire and Rescue personnel responsible for coordinating departmental training.
- Volunteer friefighters and officers who conduct training.
- Fire personnel serving on training committees.
- Training officers in volunteer and comtcination departments.

## DRESS CODE

Business casual attire is required for classroom settings.

**Inappropriate attire includes:**

Shorts • Sleeveless Tops • Overalls • Flip-Flops
